

2011 Band of Heroes

Wanted: A Few Good People

...to become members of our **2011 Victoria Symphony Splash Band of Heroes**: Business leaders and individuals who believe that Victoria Symphony Splash is an event that not only provides an incredible day of music and fun for 40,000 people, but is also an event that is uniquely Victorian and enriches our community.

In 2010 there was a call to the community to **support Victoria Symphony Splash**. In response over 52 businesses and 7 individuals stepped forward raising over \$64,000 to ensure the ongoing presence of this iconic Victoria event – they were our heroes.

For 2011 the Victoria Symphony is again looking for business leaders and individuals in the community who are willing to give \$1,000 to assist producing Victoria Symphony Splash for 40,000 people of all ages. By becoming a member of the Band of Heroes you are helping to cover the operational costs of this event and build a stable and sustainable future for Victoria Symphony Splash.

This year the 22nd annual Victoria Symphony Splash takes place on **Sunday, July 31st 2011**.

The day will begin at 1pm with children's activities on the lawns of the Legislature and ends

with fireworks illuminating the floating stage while Maestra Tania Miller and the Victoria Symphony perform Tchaikovsky's 1812 Overture at 10:30 pm. Throughout the day activities, food and music fill the Inner Harbour and delight an appreciative crowd.

Please show your support of this spectacular event and demonstrate your community leadership by joining the Victoria Symphony Splash Band of Heroes.

BAND OF HEROES 2010 Testimonials

“Victoria is a preferred destination for travelers world-wide. In the summer one of those reasons is Victoria Symphony Splash. This event does an incredible job of showing off the very best qualities of our city; the beauty, the talent and the people. Supporting Victoria Symphony Splash, by being a Band of Heroes member, is something we are proud to do and just one of the ways Tourism Victoria supports this marquee event. We have committed to this support indefinitely and encourage others to do the same.”

Robert Gialloreto, President & CEO, Tourism Victoria

“Joining the Splash Band of Heroes was an easy decision. Victoria Symphony Splash is such a tremendous and important cultural event in our city. Like Monk Office it is home grown in Victoria and makes a world class contribution to our community. We need it to continue and prosper for the 40,000 people who attend it each year and for the 340,000 people who live in our community who benefit from our rich cultural landscape that the Victoria Symphony is such a big part of.”

James McKenzie, President, Monk Office

“The Band of Heroes is a brilliant idea allowing both individuals and businesses to become involved in a long time institution we all know as “Symphony Splash.” The Recognition Package available allows you or your organization to be recognized in an appropriate way on Splash Day, and helps immensely to support our wonderful Victoria Symphony Society.”

Deedrie Ballard, Remax Realtor and past president, Victoria Symphony Society

“As an active member of the Victoria Community, no one – and no business – should be a bystander when help is needed. Victoria Symphony Splash is one of the events that make Victoria a great place to live in and come to visit. We are proud to be one of the many supporters of this exceptional event.”
